W2 ENERGY INC. FILES FORM 10K-SB AND ANNUAL REPORT

NEW YORK, NEW YORK, April 16, 2008, W2 Energy Inc. a developer of Green Energy, is pleased to announce it has filed its amended Form 10k-sb and Annual Report with the Securities and Exchange Commission. The filing may be found on the Edgar website at <http://www.sec.gov/edgar.shtml> or on the company website at www.w2energy.com under the investor section.

The company is executing on its business plan and is moving forward on target. W2 Energy continues to push forward on other projects including joint venture relationships and other partnership opportunities.

Safe Harbor for Forward-Looking Statements: Except for historical information contained herein, statements are forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties, which may cause the company's actual results in the future periods to differ materially from forecasted projections. These risks and uncertainties include, among other things, energy market volatility, product demand, market competition, and risk inherent to the company's research and development operations.
